

sayayay saya say

it aint so

diablo.

yessir flowers it

is. We die right here

in Babylon

in Shiloh

in Hell

all at the same fire

but hey

sey hey

I see the yellow cloud

and the white smoke

from ma nostrils

time in life

hello

shiloh the scorched earth

gushes out green rice

in pink eggs

say say its so

the birth and apocoleptic horses

they two Dao together,

thats the duality

son.

Ditto bitch.
